Step 4: Compete Entry info for each swimmer

			Swi	m Meets & Events - Barton Creek West Barracu	das	
	Entry Times:					
	Entry times for this n	neet will be base	d on best time from May 1,	2017 forward. We will DROP 2017 seed times	starting on the third meet.	
	Natalie Kla	as Attending	this meet 🔉 🖌	4 a		
16				<u>-14</u>	Plea	use select up to 5 individual events.
	Check to enter	Event #	Distance	Stroke	Age Group	Best Time
		7A	100	Individual Medley	Girls 13-14	1:07.38
		29A	50	Freestyle	Girls 13-14	27.49
		39A	50	Backstroke	Girls 13-14	31.68

			<u>40</u>		ys for older age groups o	
	Need to let th	e coach kno	w something?	Notes for coach:		
			_			
	Adriana Kla	aas (undecl	ared) ᅌ			

4a - Attending? Yes or No

4b - Select events. See meet detail for limits (typically 3 events 10&under, 5 events 11&over)

4c - Relay Availability.

- Available for all relays child will be at the meet from the beginning to the end and is willing to swim in relays.
- Arriving Late, not available for early relays child may not be at the meet early enough to swim in the first set of relays. The early relays are freestyle for 6&under, Medley Relay for 7&over.
- Leaving Early, not available for late relays child has to leave early and may not be available for the late relays. The late relays are Freestyle for 7& over. There are no late relays for 6& under, but they may be asked to swim-up into an older relay if they are available.
- Not available for any relays If there is a chance your child may not be at the meet, please select not available for relays. Changing relays at the last minute is difficult and if we cannot find a substitute the other 3 kids are left disappointed. You may also select this if your child is not ready for relays, but please talk to the coach first. Signing up for and then missing a relay may result in being removed from future relays.

4d - Please do not enter in relays for older age groups -

We occasionally create what we call "swim-up" relays. In these cases, we have the younger swimmers swim with the bigger kids to make complete relay teams. Younger kids get to swim in relays, older kids get enough swimmers to actually make a team. It's a win-win. Most kids enjoy this, some are intimidated. You know your kids, select this if they would prefer to not swim up.
